

Big Bench 166

History

Since 8 August 2021, Intelvi Valley's Big Bench has welcomed visitors from near and far to admire the valley's mountains and, beyond them, Lake Como.

The Big Bench is much more than an oversized seat. It is part of the Big Bench Community Project, an international initiative created by American designer Chris Bangle and joined by many places across Italy.

From Hotel La Torre, the Big Bench is around 16 minutes away by car.

From Castiglione d'Intelvi, head towards San Fedele and then Alpe Grande until you reach Località Bolla, where you can park. Ristorante La Bolla is also here if you would like something to eat or drink.

Continue for around two minutes by car or ten minutes on foot to reach the Big Bench, where you can rest and enjoy the magnificent view.

An alternative route from Hotel La Torre goes through Veglio and Casasco Intelvi before reaching Località Bolla.
